The Mirana App-Controlled Warrior

Download now ►  

WELCOME

Please read this document and the safety instructions carefully before using the all-new Warrior Remote Controlled stunt car. Fully charge the Warrior's battery before using it for the first time.

For detailed support information, visit our website

www.miranatoys.com

1. DOWNLOADING THE MIRANA APP & INSTALLATION

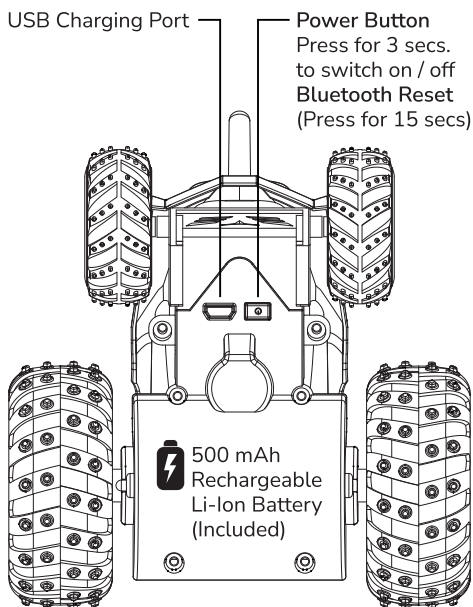

1. Go to App Store or Play Store
2. Search "MIRANA" App
3. Download & Install it - Free!
4. You are ready to explore

2. BUILT-IN BATTERY

The Mirana App-Controlled Warrior comes with a rechargeable 500 mAh battery. Don't attempt to modify, remove or replace the battery as it may damage it and cause overheating and injury. Don't cut, tear, puncture, compress or deform the Warrior by disassembling it.

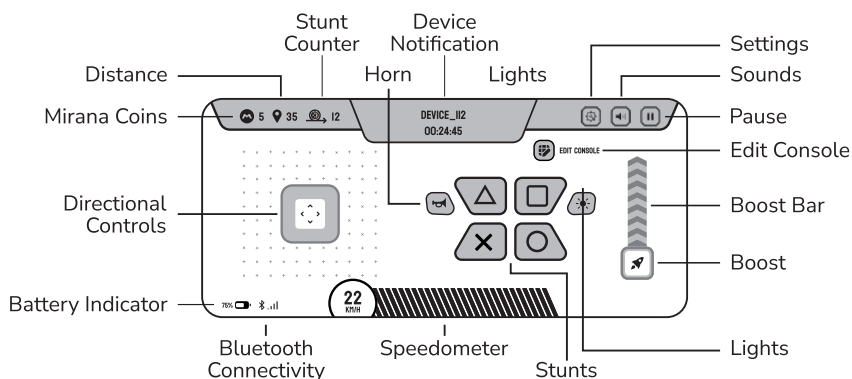

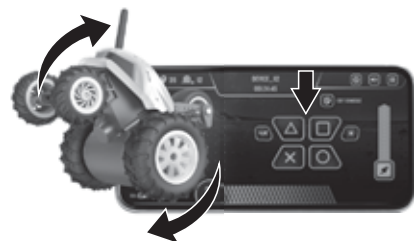

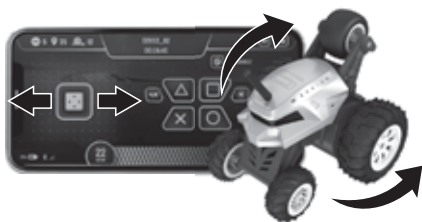

Follow the below instructions for charging its battery:

1. Turn the Warrior upside down to check the charging port.
2. Make sure the toy is switched off.
3. Plug the USB charging cable provided in the box into the (5V-2A) DC input charging slot at the bottom of the car.
- Red LED will glow up while charging.
- Green LED will glow up when your Warrior is fully charged.
4. Remove the adapter when the Green LED glows up.

3. PLAYING INSTRUCTIONS

1. Turn on the power button of the Warrior given at its bottom.
2. Switch on the Bluetooth of your mobile phone and open the Mirana App installed on your phone.
3. Long press the Bluetooth Reset button given at the bottom of your Warrior till it turns on.
4. Your Warrior and the Mirana App are now connected.
5. Use the App enabled console to drive the Warrior.
6. For directional control, use the left square button on the console screen for moving the Warrior forward, backward, left and right.
8. Use the lights button for switching on the lights of the Warrior.
9. Use the (A, B, C, D) buttons on the right side to perform stunts.

4. CARE AND MAINTENANCE

Keep it away from direct sunlight, high humidity, high temperature or excess heat. Ensure that the tires are clean for optimized grip. Gently wipe the tires with a damp cloth whenever they become dirty. Do not immerse the Warrior or any part of it in water to clean it. This can damage its electronic components. Before using the stunt car, please ensure that it is not damaged and safe to use.

DISPOSAL INFORMATION

Never dispose of the Warrior and / or its battery along with the household waste. If / When you decide to dispose of this toy and / or its battery, discard it in e-waste container that are in accordance with the local environmental laws, guidelines and battery recycling procedures.
