## 1. BUILT-IN BATTERY

The Warrior Remote Controlled stunt car comes with a rechargeable 500 mAH built-in battery. Don't attempt to modify, remove or replace the battery as it may get damaged and cause overheating and injury. Don't cut, tear, puncture, compress or deform the stunt car by disassembling it.

Follow the below instructions for charging its battery:

1. Turn the Warrior upside down to check the charging port.
  2. Make sure the toy is switched off.
  3. Plug the USB charging cable provided in the box into the (5V-2A) DC input charging slot at the bottom of the car.
- Red LED will glow up while charging.
  - Green LED will glow up when your Warrior is fully charged.
4. Remove the adapter when the Green LED glows up.

USB Charging Port  
Power (On / Off) Button

 500 mAh Rechargeable  
Li-Ion Battery (Included)

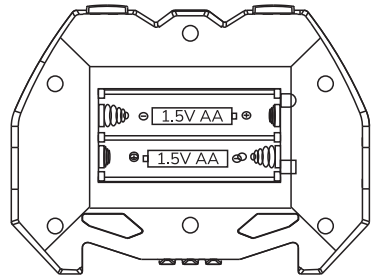

## 2. REMOTE CONTROL

### BATTERY INSTALLATION

For the Warrior Remote Control, you need to install 2 batteries of 1.5V "AA" type.

Follow the below instructions for installation:

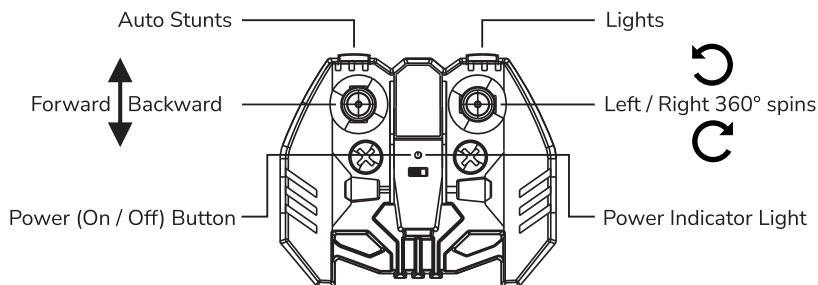

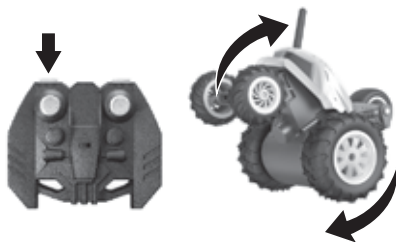

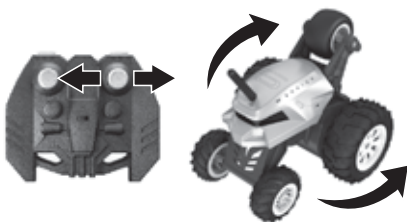

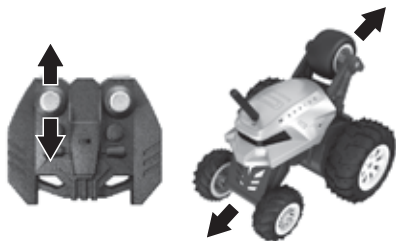

1. Invert the remote control console and unscrew the battery compartment.
2. Install new batteries (+/-) inside the compartment carefully.
3. Place the battery compartment lid securely and your remote control console is ready to use.

Use 2 x 1.5v "AA" Battery

### 3. PLAYING INSTRUCTIONS

1. Turn on the Warrior by pressing the power button given at its bottom and place it on a flat surface.
2. Switch on the remote control console and a red indicator light will glow up above the button.
4. Hold the remote control near your Warrior to pair.
5. Use the remote control console to operate the stunt car.
6. For directional control, use the left joystick on the controller to move the stunt car forward and backward.
7. Use the right joystick to perform 360° spins. Shift the joystick left for leftward spins and right for rightward spins.
8. Press the right top button on your remote control to switch on the lights in rear wheels.
9. Press the left top button to activate the Auto Stunts and watch your Warrior perform 7 different stunts one after another.

## AUTO STUNTS

On pressing the left top button, your Warrior will carry out 7 different stunts.

- |             |              |
|-------------|--------------|
| 1) Spin Top | 5) Pogman    |
| 2) Horse    | 6) Ludicrous |
| 3) Freeman  | 7) Fuzzy     |
| 4) Mouse    |              |

## 4. CARE AND MAINTENANCE

Always remove batteries from the remote control console when they have drained out completely or are not in use for a longer period of time. Keep it away from direct sunlight, high humidity, high temperature or excess heat. Ensure that the tires are clean for optimized grip. Gently wipe the tires with a damp cloth whenever they become dirty. Do not immerse the Warrior or any part of it in water to clean it. This can damage its electronic components. Before using the stunt car, please ensure that it is not damaged and safe to use.

## DISPOSAL INFORMATION

Never dispose of the Warrior and / or its battery along with the household waste. If / When you decide to dispose of this toy and / or its battery, discard it in e-waste container that are in accordance with the local environmental laws, guidelines and battery recycling procedures.
